Class Rank & SAT/ ACT Score Reporting

Due to the small class size, Carolina Christian School does not rank its students or report average SAT & ACT scores for students. Carolina Christian School had its tenth graduating class in 2021. We believe that averages derived from a class of this size are not statistically relevant and do not serve as strong discriminators from which to predict college performance. Please refer to individual applicant's transcript for actual scores.

Notice of Nondiscrimination

Carolina Christian School does not discriminate on basis of gender, race, color, national origin or ethnicity in employment practices, administrative policies, financial aid and other tuition assistance, and any other school administered programs or activities.
