Welcome to Carolina Christian Preschool!

Carolina Christian Preschool is an important resource for your children during these formative years. We believe that guidance by gifted teachers allows your children's spiritual, physical, social, emotional and intellectual development to progress smoothly and naturally. A very important priority we constantly work towards is to help the children feel good about themselves and to know that they are loved by Jesus.

It is the desire of Carolina Christian Preschool to glorify God as we prayerfully care for your children and teach them daily. The purpose of our Preschool is to enforce the values taught in a Christian home, while providing a continuity of truth between the home, church and school. Carolina Christian Preschool strives to provide a balanced educational program from a Biblical perspective.
